Subject: Set December 8, 2015 Public Hearing For 2016 Improvement Projects

Action Requested:

Staff recommends that the City Council set Tuesday, December 8, 2015 at 6:00 p.m. to hold the public hearings for the 2016 proposed neighborhood reconstruction projects.

Information / Background:

M.S. 429 requires a public hearing be held before the City Council before an improvement is ordered for which property owners may be specially assessed. The hearing is an opportunity for property owners to ask questions and voice their opinions on proposed projects. For the past few years the Council has held a special meeting on the second Tuesday in December that has been set aside for the purpose of holding the improvement hearings for all of the next year's proposed neighborhood street reconstruction projects. The Engineering staff has already had meetings with property owners advising them of upcoming construction projects.
